Richmond County...

Maintenance project affecting I-520 bridge traffic

What: The start of a \$1.1 million bridge preservation project will close a lane tonight on the Richmond Hill Bridge over Interstate 520 (Bobby Jones Expressway). The traveling public will navigate the area between Cheshire Drive and Walker Court via a flagging operation.

The contractor will then move to State Route (SR) 56 over I-520 Tuesday night to work on the southbound side. Expect similar traffic conditions.

Overall, this project consists of bridge preservation work on four bridge structures on I-520 in Richmond County and four bridge structures on I-20 in Warren County. The preservation involves co-polymer overlay of the bridge decks and joint replacements. Bridge Masters Construction, LLC. was awarded the contract with a July 31, 2016 completion date.

Richmond County I-520 structures included:

- State Route (SR) 56
- I-520 over SR 121(US 25)
- I-520 over CR 273 (GA/FL railroad)
- Richmond Hill Road

Warren County I-20 structures included:

- I-20 eastbound over SR 12/CSX railroad
- I-20 westbound over SR 12/CSX railroad
- I-20 eastbound over CSX railroad
- I-20 westbound over CSX railroad

When: The contractor will work on the Richmond Hill Road bridge starting at 7 p.m. tonight through to 6 a.m. Tuesday, May 17; and move to the SR 56 structure on Tuesday, May 17 for the same night work timeframe

Where: Richmond Hill Road bridge over I-520 between Cheshire Drive and Walker Court
